

**FAST out of the bag, and
FAST for seasons to come!**

Our line of Capri 25 sails have been carefully designed and crafted for the serious racer looking for top quality and value.

Included Features:

- * High performance low stretch and low shrink PinStripe kevlar, or racing dacron fabrics in varying weights to provide maximum strength and minimum weight.
- * Sail numbers, draft stripes, tapered leech battens with full top batten, tell tales & leech line.
- * Loose foot, cunningham, and custom bag
- * All stainless steel press-in and webbed on corner rings.

- * Computer designed and cut for the ultimate in strength, light weight, and shape holding ability.
- * Internal velcro flap on full batten pockets reduces catching on backstay
- * Quick buckle adjust leech and foot lines in non-catch velcro flaps.
- * Spreader and stanchion patches.
- * Genoa view and tell tale windows.
